Deterioration of postal system

†1222. SHRI JANESHWAR MISHRA : Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether it is a fact that common man is compelled to opt for the private courier service operators due to deteriorating situation of postal system in the country;

(b) if so, the details thereof;

(c) whether it is also a fact that the main reasons for failure of the Department of Posts are missing money orders, non-delivery of letters and rampant corruption; and

(d) if so, the steps being taken by Government to make the Department of Posts responsible and accountable for providing better facilities to people?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI TAPAN SIKDAR): (a) It is not correct to say that due to deterioration in Postal Services in the country, the Courier Service is gaining supremacy. Infact, the Department of Posts is continuously making efforts to modernize its services through induction of appropriate technologies and provide new premium products to meet the requirements of specific customer segments like Speed Post, Business Post, Express Parcel Servcice, Media Post, Retail Post, Greeting Post and E. Post Service.
